

Important Facts for Voters with Disabilities

If you are an eligible voter with the required proof of residence, you cannot be turned away at the polling place!

Polling places open at 7:00 AM and close at 8:00 PM.

Accessibility standards and assistance that are available at polling places for people with disabilities:

- curb cuts where needed
- accessible parking space
- signage indicating accessible entrance and route in building
- accessible voting booth with chair
- seating available for voters waiting to vote
- notepads available to communicate in writing
- magnifier for election material and ballot
- sufficient space for voters in wheelchairs
- registration and voting without leaving vehicle with the assistance of two election judges of different political parties
- assistance from election judges in completing all forms
- voters can make a mark for signature if unable to sign name
- assistance from an individual of the voter's choice, or two election judges of different political parties, to translate and mark the ballot
- additional voting options are available for hospital patients and health care facility residents
